

Designer

Abramson Architects work is inspired by an earnest desire to elevate the human soul, to facilitate connection, and to improve the lives of the people they serve. While preserving constant design themes that reflect our Southern California roots, we have won over sixty design awards including an AIA National Award.

Job Description

We are looking for a passionate and driven Designer with 1-2 years of experience in an architectural office, with experience in Revit construction documents. Candidate will work on a team from schematic design through Construction Documents. Candidate must have a good grasp on the Architectural process behind putting construction documents together. Candidate must be very good at Revit. An easy-going personality and go-getter attitude are what we are looking for; someone who wants to put in the effort to grow in their position. We will mentor the candidate, who will learn a lot in our office.

What we look for in a candidate

- Work with Project Manager to take design drawings into construction documents, integrating technical knowledge and code compliance, to deliver a fully coordinated set of drawings, for both City permitting, bid and construction documentation.
- Be able to work in a collaborative manner.
- Bachelor/Master's Degree in Architecture.
- Strong design sensibilities and experience with creative direction.
- Ability to thrive in a fast-paced environment.
- Be a strong part of our family and be a team player.

To Apply

Please submit a resume, portfolio of your design work (not to exceed 20mb), and cover letter stating why you are interested in joining our team to careers@abramsonarchitects.com. Please include "Designer" in the subject line.

Abramson Architects Office Culture

We are a passionate and dedicated family of 30. We place high value on individual contribution with ideas, knowledge and team skills. We value work-life balance. We can genuinely say that our work-family loves what they do and enjoys coming to work and contributing. We strongly encourage people to take ownership of their projects, and we include our team in all project phases from initial research, interviews, client meetings to construction administration. We are committed to transforming the diversity of our firm and the broader AEC community. We were one of 18 firms to commit to the 2020 SoCal NOMA Diversity, Equity, and Inclusion Challenge and will continue to work to help foster equal representation in the industry.
